3rd Annual Rich Nelson Bird Dog Challenge

The run times are posted below, print off a copy so you know when you're going to be running so you don't miss out. We have modified the run times in the single runs from 20 minutes to 15 minutes, only to make things work so we can complete the challenge in one day! We are planning on gaining time throughout the day so plan on being here **an hour** before your run time.

Also remember that the boy scouts are going to be serving lunch for donations, so don't pack a lunch and help out the boy scouts!
